Topics Discussed:
-We reviewed the class diagram, sequence diagram, and collaboration diagram, focusing on their completeness and accuracy.

Decisions Made: We decided to finalize the structure of the class diagram, ensuring all necessary classes and relationships are included and improved. The sequence diagram will be adjusted not to reflect the system but the actual entity. As for collaboration diagram we agreed that everything was fine with some small details to be added

Tasks Assigned:
Tea Disho will finalize and document the class diagram with the latest changes.Everyone will review and improve their diagrams in order to be as accurate as possible.Each diagram will be documented on the documentation Project.
Time, Place, and Agenda for Next Meeting:
We agreed to continue our weekly meetings at Techspace next Wednesday.
The agenda for the next meeting will focus on:Assigning tasks for further development and given submissions.
